

SKYEHILL HOMEOWNERS ASSOCIATION

Satellite Dish Installation Agreement

Skyehill Homeowners Associations Board of Directors has approved the following as its policy for authorizing the installation of "Satellite dish" to any of the Associations member's units. This permission to install is subject to the following conditions:

1. Unit owner is totally responsible for the Dish, cable installation, cable repair, any and all damages or injuries resulting from said cable or dish, its installation and use, including but not limited to: fire and/or water damage.
2. When Signed by the unit owner and with Association Management approval, installation may proceed only when following and adhering to these specifications:
 - a. Absolutely no vertical or horizontal runs should be visible on the siding of the building as well as no holes or slices put in the siding. (Cable should be tucked under panels or channels.)
 - b. Homeowner is responsible for any damage to the unit.
 - c. Homeowner is responsible for the cost to remove and reinstall dish when needed. (If we re-roof or have repairs to the building.)
 - d. The Association has no responsibility for the installation or any consequential damage or injury related to the installation.
 - e. Size of the dish is limited to 20 inches or less.
